

What the Year 8 pupils say

The things I like about St Louis are: the staff, my PE class, the people in my class, Technology practicals, Home Economics practicals and my form teacher! (Grace, Annalong)

To start, St Louis is an excellent environment for children to learn in and to make new friends. The teachers are great for children to enjoy and learn from each subject. (Louis, Castlewellan)

I like the way we do lots of practicals and things I haven't tried before. I also like moving around classes every day. (Alice, Hilltown)

I really like Home Economics and Technology as it's well organised. I like this school a lot. The subjects are interesting, exciting and fun, as are the teachers and students. If you like socialising and making friends, this is the school for you! (Eoghan, Newcastle)

This school is friendly and kind to everyone. I like when you get to go around different classes every 45 minutes. There is nice food in the canteen and I like that there is a pupil of the month (and good notes!). (Connie, Kilkeel)

I love how friendly everyone is in the school and it's really easy to find your way around. (Effie, Dundrum)

I like that you don't sit in one classroom all day and that you have more than one teacher per class. I think that there is a big variety of classes. (John-Paul, Warrenpoint)

I love St Louis because the teachers are really helpful and can explain things in ways I understand. At first, I was scared that I would get lost because it is quite a big school but now I am more used to the layout. There is a huge amount of after school clubs and there is one for everyone. (Nora, Newcastle)

I really like my form class because the people in it are cool and nice and I love my teacher! (Siobhan, Newcastle)

I love the sports teams. There is Gaelic Football and netball and lots more amazing things to do. St Louis also have Faith Friends as well as Cross Country along with Drama. St Louis is a safe place to be yourself. (Erin, Longstone)

I like how hard the teachers push you and how fun PE is! I would highly recommend going to St Louis because everybody here is friendly and you'll always be welcome. Even if you don't like physical sports, there are lots of other clubs like Art Club, Sci-Fi Club and so many more. (Stephen, Ballymartin)

The things I like most about St Louis is how kind the teachers are. I've also enjoyed being able to play on the Gaelic team. (Ava, Castlewellan)

So far school has been good. The teachers have all been very kind to me and the subjects are super fun. I also like the canteen food! (Max, Leitrim)

I love coming to school and seeing all my friends. All the teachers are very welcoming. The food in the canteen is really nice and the teachers try to make their lessons as fun as possible. (Mairead, Rostrevor)

What I like about St Louis how caring and helpful all of the teachers are. Another thing I like about St Louis is how nice and helpful all of the senior students are, like on the first day we started. (Emma, Castlewellan)

St Louis is really fun. You should come here because it is a great school! (Sophie, Kilkeel)
